EASTER LILY BULBS—LIL. HARRISII

As in former years our stock of Lilies is going to surpass any thing that we have had heretofore in that line, we are constantly kept in touch (by a direct representative) with the finest stocks both in Bermuda and Japan. Place a trial order with us and convince yourself that we offer a superior article in Lily Bulbs.

LILIUM HARRISII MICHELL'S SPECIAL BRAND

Ready about July 25th

Our Special Brand is produced by careful selection of only the finest looking and best matured bulbs. No blind bulbs. There is usually a limited supply of these and we advise all wishing to book their orders for some of this grade to place it at once.

LILIUM HARRISII REGULAR SELECTED BRAND

Our Lilies have given unequalled satisfaction where they have been grown in comparison with other stocks. Being heavy importers of this indispensable Easter Flowering Bulb we are in a position to furnish the best quality at the price of some inferior grades frequently offered.

JAPANESE LILIUM HARRISII

Ready Early in October

Japanese grown Lil. Harrisii are reputed to be absolutely free from disease, and more free flowering than the Bermuda type. To verify this we have placed a trial order with our Japan grower; we would suggest that each florist try a few of them in order to acquaint himself of the superior quality. A limited importation of the following sizes:

Size	Number of Bulbs in each Case	Price per Doz.	Price per 100	Price per 1000

BERMUDA LILIUM LONGIFLORUM

Many florists still continue to grow a few of these. We have arranged for a quantity sufficient to supply the wants of our trade.

Prices on Bermuda Lilium Longiflorum are same as on the Regular Brand Lilium Harrisii.

We are reputed as being one of the largest importers of Lily Bulbs in the country. Your order is in good hands placed with us.

NOTICE.—At the time of going to press with this Catalogue, all prices on Imported Bulbs are somewhat unsettled. Orders booked at prices named herein NOW will hold good at time of delivery. Should the market price advance, customers whose orders were placed early will be filled at the prices herewith quoted; or, on the other hand, should prices be lower, we will give customers the advantage of any possible lower price. [For example, if 12-15 Roman Hyacinths are offered herein at \$27.00 per 1000, and the price should advance to \$29.00, early orders will be filled at the lower figure; or should they be sold at \$18.00 per 1000, our customers will be given the benefit of the decline in price.]

A FEW "WORDS OF PRAISE" REGARDING THE QUALITY OF OUR BULBS

The 2000 Easter Lily Bulbs purchased of you proved to be the best we ever had. I can say that we hardly lost a plant; we had plants to produce as many as fifteen perfect blooms. You will certainly receive my entire order this year. I made a large amount of money due to having such good stock.

JNO. D. JOYCE,
Pottsville, Pa.

The box of Lily Bulbs arrived Saturday. They proved to be the finest I ever saw.

W. H. GRAHAM,
Manchester, Vt.

In sending you this order allow me to say the hyacinths and other bulbs furnished were fine. My gardens were the handsomest in the neighborhood; it has been a pleasure to me to hear the many pleasing comments made.

W. W. MATOS,
Swarthmore, Pa.

The Bulbs received in good shape, and I am well pleased with them.

WM. T. WILLIAMS,
Boothwyn, Pa.

I must make a good report on the Lily Bulbs ordered through your representative. They are as clear a growth as any I've ever handled, being much better than those obtained from other dealers for several seasons past. You may look for my order again.

GROVE P. RAWSON (Florist),
Elmira, N. Y.

The bulbs came to-day. They arrived in elegant condition, and I am well pleased; they look sound and healthy. If that is the grade of stock you handle, I shall need them again. Send me your catalogue.

R. F. SWANER (Florist),
Salt Lake City, Utah.

Enclosed please find my check. When I tell you the Lily Bulbs were good I mean they were **extra good**. The few that failed seemed to lack vitality than to suffer from disease.

JNO. F. CURWEN, JR.,
Glen Head, L. I., N. Y.

The Tulip Bulbs have furnished a grand display. I would appreciate it very much if you could see them.

B. S. CUMMINGS (Supt.),
Odd Fellows Cemetery,
Philadelphia, Pa.

What Users Think of Our Whitewashing Machine.

The Fifty-First Annual Exhibition, October 7th, 8th, 9th and 10th, 1902.

THE COSHOCTON COUNTY AGRICULTURAL SOCIETY, COSHOCTON, OHIO, Sept. 22, 1902.

Ripley Hardware Company, Grafton, Ill.:

Gentlemen—Enclosed herewith you will find an order for \$15, in settlement of the Whitewash Machine we ordered from you some time ago. We have tried the machine and are glad to testify that it has come up to your highest recommendation and to our entire satisfaction. One man and a boy whitewashed two buildings that are 180 feet long by 50 feet wide, each, in about eight hours, and the buildings look much better than if it had been possible to have been done with a brush. It is certainly a good invention and a great saving of labor, as well as putting on the material much better than it could be done otherwise.

Yours truly,

ROBERT BOYD, Secretary.
